## **How to ride ST Express**

## **Parking at Sound Transit facilities**

Cars exceeding the 24-hour limit risk being towed. Please be sure to read the parking rules and regulations signs at the park-and-ride you use.

- Allow persons with disabilities and senior citizens priority seats.
- Don't reserve places by putting items on seats.
- Respect the privacy of other passengers.
- Keep your cell phone on vibrate and speak in a low voice.
- Speak in conversational tones with your seatmates and other riders.

We appreciate your help and thank you for riding.

# Fares & passes

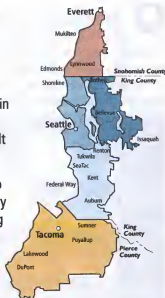

## ST Express fares

The fare you pay to ride an ST Express is based on zones. So, for example, trips within Pierce or Snohomish counties are one zone. However, if you cross a county line, an adult trip could cost \$3.

Trips within King County can be one or two zones depending on if you cross a boundary within King County. Boundaries within King County are:

- Lake Washington and Lake Forest Park (between north and east King County)
- Seattle city limits (between north and south King County)
- Renton city limits (between east and south King County)

See the map for zone and county lines.

**Q:** I start my commute in Bellevue and end in downtown Seattle where I work. What fare am I required to pay?

**A:** You would be responsible for paying the two zone fare, since your trip is in within King County, but crosses a fare boundary line.

**Q:** My trip begins in Tacoma and I get off the bus in downtown Seattle where I work. How much is my trip?

**A:** Since your trip begins in Pierce County and ends in King County, you would be responsible for an Inter-county fare.

## ST Express bus fares

	One zone fare (within one county)	Two zone fare (within King Co.)	Inter-county fare (across county line)
Adult	\$2.00	\$2.50	\$3.00

## Link light rail (Tacoma Link) fares

Tacoma Link light rail is free. No fare required.

## **ORCA card**

ORCA is accepted on Sound Transit buses and trains and on Community Transit, Everett Transit, King County Metro transit, Kitsap Transit, Pierce Transit and Washington State Ferries. You can use your ORCA card to load passes good on all regional buses, trains and Washington State ferries or load your card with an E-purse, which is stored value that works similar to cash.

There are three different ways to use your ORCA card:

### **Put money into your ORCA card E-purse**

An E-purse is a stored value used just like cash to pay your bus, train or ferry fare. The fare for your ride will be deducted from the E-purse on your ORCA card, allowing you to pay as you go. The E-purse may also be used in combination with a pass. With an ORCA card, transfers between buses and trains are automatically calculated, and balances applied to the connecting trips, so paper transfers are no longer needed.

### **Use your ORCA card like a regional pass**

A regional pass lets you travel on all bus and train services in the region for a specific period of time. An ORCA regional pass works like a monthly pass and is valid on Community Transit, Everett Transit, King County Metro Transit, Kitsap Transit, Pierce Transit and Sound Transit.

**NOTE:** On Central Link and Sounder, ORCA cards must be tapped at the card reader before boarding and after getting off, even if a pass is on the card.

Washington State Ferries also offers a separate ferry pass that can be loaded onto an ORCA card. The pass is valid for payment of trip fares up to the value of your pass.

Choose the pass value on your ORCA card based on the price of the trip you are likely to take, based on age, zones or distance. You can add a monthly pass in any denomination listed on the following page.

### **Use your ORCA card for a single transit agency**

Some transit agencies offer agency-specific passes or products that cover multiple rides for their services only.

For complete information about ORCA, visit [www.orcacard.com](http://www.orcacard.com) or call 1-888-988-6722/TTY Relay: 711/1-888-889-6368 during regular business hours. If you currently receive a transit benefit from your employer or other organization, ask them how to get an ORCA card.

## ORCA pass options (formerly PugetPass)

An ORCA pass is accepted on Sound Transit trains and buses, Community Transit, Everett Transit, King County Metro, Kitsap Transit and Pierce Transit. Purchase a pass for the amount that has the "per-trip value" of the trip you are likely to take.

## How to use ORCA

### On ST Express bus

#### Using an ORCA card

Tap your card at the card reader located next to the bus driver. If the bus fare is higher than the pass value of your ORCA card, you must pay the difference using your ORCA card E-purse or cash.

### On Sounder and

### Central Link

#### Using an ORCA card

Tap your card at the card reader located on the train platform before boarding. Present your valid ORCA card to the conductor or fare inspector upon request. When exiting, tap your card at the card reader to complete your transaction and to ensure the correct fare is deducted.

As with all passes, if the per-trip value of that pass does not match the cost of the fare for your trip, you must have money available in your E-purse account to cover the difference. E-purse value can be added to any ORCA card at the ticket vending machines prior to boarding the train.

#### Using an ORCA card in the Downtown Seattle Transit Tunnel

Card readers and fare vending machines are available on the mezzanine level of all Downtown Seattle Transit Tunnel stations. Please tap your card at the card reader prior to boarding Central Link light rail.

ORCA card readers are available on the platform level of the International District/Chinatown Station or the southbound platform at the Westlake Station. When transferring from bus to light rail, tap at the ORCA card reader without leaving the platform.

**NOTE:** King County Metro's Regional Reduced Fare stickers and Access passes are valid for fare on Central Link. School District issued \$0.75 PugetPasses are valid for full fare on Central Link light rail only and for face value on all other services.

If you'd like to mail-in your order for an ORCA card, please contact your local ORCA Customer Service office for an order form or send your request to:

Sound Transit  
401 S. Jackson St.  
Seattle, WA. 98104  
Attn: Customer Service

Once you've received the ORCA card order form, please mail the completed form to:

ORCA Regional Mail Center  
MS TR-0108, 201 S Jackson St  
Seattle, WA 98104-385

## **Ticket vending machines**

Train tickets and ORCA cards are available at the ticket vending machines at the train station. The ticket vending machine accepts cash, MasterCard or VISA. Please allow extra time to purchase your fare before the train departs. On Sounder, non-ORCA users with passes valued under the cost of the trip must purchase a paper ticket at the ticket vending machine good for the value of the trip.

### **Ticket vending machine fare options:**

**Get an ORCA card** – You can purchase an ORCA card with a monthly pass or an E-purse (stored value that works similar to cash). See page 10.

**Add value to an ORCA card** – If you have an ORCA card, you can add value as a monthly pass or as an E-purse (stored value that works similar to cash). See page 10 for more information.

**Single trip** – One way ticket valid on date purchased, between stations printed on ticket. One-way tickets may not be purchased in advance of the date of travel.

**Day Pass** – Valid all day on date purchased, between stations printed on ticket.

**Advance tickets** – Purchase a Day Pass up to 14 days in advance. Use arrow button to advance date. **NOTE:** Riders are not able to purchase one-way, single trip tickets in advance.

**Sounder event tickets** – Event tickets may also be purchased in advance by selecting the special event train date. The ticket is valid only on the date selected. An event ticket can also be purchased on the day of travel as a single trip (one way).

**Multiple tickets** – Purchase multiple tickets of different fare types in one transaction, provided they are the same distance trip.

**Monthly pass** – Machine issued monthly passes are available on the ORCA card only.

There are no refunds or replacements on ticket vending machine-issued tickets. For related problems, visit us online at [www.soundtransit.org](http://www.soundtransit.org) or call 1-888-889-6368/TTY Relay: 711.

## **Regional Reduced Fare Permit**

Senior citizens (age 65 or older) and persons with disabilities may ride the bus or train at a reduced rate with a valid Regional Reduced Fare Permit (RRFP) or Medicare card. On the bus, the permit is required when paying the reduced fare. On the train, the conductor will ask you to show the permit when inspecting passes and tickets. A non-ORCA RRFP used alone is not valid for fare payment on any Sound Transit service.

One personal care attendant (PCA) may ride for free, but must board and leave with the reduced fare passenger. In addition, the reduced fare passenger must have a RRFP with "PCA" indicated.

### **Senior/disabled fare permanent permit eligibility requirements:**

- sixty-five years of age or older; or
- currently certified by the Veterans Administration at a 40 percent or greater disability level; or
- possess valid Regional ADA paratransit card; or
- possess an obvious physical impairment(s) meeting the medical criteria for the program; or
- have certification from a physician, psychiatrist, psychologist, advanced registered nurse practitioner, physician assistant or audiologist as meeting one or more of the medical criteria established for this program.

### **Temporary permit eligibility requirements**

- currently eligible for Social Security Disability benefits (SSDI) or Supplemental Social Security (SSI) due to a disability; or
- possess valid Medicare card from Social Security Administration; or
- possess valid ADA paratransit card from outside the region; or
- currently participate in a vocational career program with the Washington State Individual Education Program (IEP).

Visit your local transit agency to obtain a RRFP. Senior citizens need to bring proof of age (65 or over); a person with a disability needs to provide a valid Medicare card or proof of qualifying condition. The permit is \$3.

## **Transfers**

The ORCA card replaced paper transfers on Jan. 1, 2010. No paper transfers are issued or accepted on ST Express buses; nor are paper transfers valid for any portion of your ride on Sounder commuter rail or Central Link light rail.

## Transfers made easy with the ORCA card:

If you use an ORCA card, the full transfer value is held on the card and will apply to the next bus or train within the two-hour transfer time. If you currently use cash, you will need to pay separate fares for each portion of your trip. **NOTE:** King County Metro and Pierce Transit issue paper transfers. Paper transfers will only be accepted on the service that issued them.

ORCA card readers are available on the platform level of the International District/Chinatown Station or the southbound platform at the Westlake Station. When transferring from bus to Central Link light rail, tap at the ORCA card reader without leaving the platform.

## Ride Free Area

You can ride for free on any Community Transit, King County Metro or Sound Transit bus within downtown Seattle's Ride Free Area (RFA) between 6 a.m. and 7 p.m. Some ST Express buses from Pierce County may not make stops in the Ride Free Area if they are not dropping off passengers. **The RFA does not apply to Central Link. The RFA boundary is shown on the downtown Seattle map at the back of this guide.**

## Law enforcement officers

All police officers employed in our service area can ride free anytime on light rail and ST Express buses operated by Community Transit and King County Metro by displaying a police badge or identification card. On Sounder and ST Express buses operated by Pierce Transit, police officers may only ride free when in uniform.

**Cross only at designated crosswalks. Obey all traffic signs and signals.**

## Sounder commuter rail

Sounder trains, stations and platforms are accessible for riders with disabilities, seniors, those traveling in wheelchairs, scooters or with young children in strollers. Each car has a wheelchair area and accessible restrooms.

For assistance boarding the train, wait at the top of the accessible ramp located on each platform. The train conductor will deploy a boarding ramp to help riders safely board the train. Board the train only when the boarding ramp is in place.

**Stay behind the warning strips located at the edge of all station platforms. Some trains pass through Sounder stations at high speeds without stopping.**

## **Link light rail**

### **Central Link**

Each Link car has four designated wheelchair areas per vehicle. There is no need for wheelchair securements. Simply roll to the designated wheelchair area and set the brakes on your mobility device.

Link trains feature level boarding. This means you board directly from the platform without climbing steps or using a lift or ramp. Link train operators cannot assist passengers while boarding or de-boarding.

To know where the car doors will open on the platform, stand on the six-foot-by-six-foot square of ribbed tactile pavers and there will always be a door directly in front of you when the train stops. Blind riders should always use other travel skills to verify that the area in front of them is the entrance to the vehicle.

### **Tacoma Link**

Link stations and platforms are accessible for riders with disabilities, seniors, those traveling in wheelchairs or scooters. Each car has two accessible seating areas.

- Link trains are fully accessible and riders can move directly from the platform onto the train without using a lift or ramp.
- Once onboard, locate the reader boards or listen for the audio announcements, which indicate next station stops.
- All upcoming station stops are announced on the train. Trains stop at all stations so you don't need to signal the driver to get off.
- Operators are trained and available to help riders upon request.

### **Boarding the train**

- Wait in view of the Link train operator.
- Look for the accessibility symbol on the door equipped with a bridge plate.
- Press the blue button to deploy the bridge plate. If the doors are already open, they will close and then the bridge plate will deploy.
- Wait for the bridge plate to deploy, and then board.
- When train doors close, Link must depart.

### **On board the train**

- Each car has two accessible areas.
- In case of emergency, use the intercom to contact train operator.
- Push on the bridge plate request strip prior to your destination.

## **ST Express regional bus**

ST Express buses are fully accessible. Buses are equipped with ramps or wheelchair lifts. Operators are trained and available to help riders upon request and will call out stops along the route to help you get to your destination. Two additional bicycles can be on each car, and must be restrained at all times by the rider while standing. To locate the proper area for bicycle storage, board at the doors marked with a bicycle symbol.

#### Tacoma Link

Bicyclists should allow other passengers to exit and enter the train first. Up to four bicycles per car are welcome on Tacoma Link. The train operator may require bicyclists to wait for the next train if the cabin is at capacity.

## **ST Express regional bus**

ST Express buses feature racks with room for two or three bicycles mounted on the front of the bus. Riders must place their bicycles on the rack. Drivers are trained and can assist riders if necessary. Verbally inform the driver prior to loading and unloading your bicycle.

Folding bicycles are allowed inside buses if they do not block the aisle and do not take up space needed by other riders.

## **Ride Free Area**

Bicycles may be loaded or unloaded at any stop within the Ride Free Area at all times.

## **Bicycle lockers**

To reserve a bicycle locker at Sound Transit facilities, call 1-888-889-6368. A \$50 annual fee and a \$50 refundable key deposit are charged. Bicycle lockers at the Tacoma Dome Station are handled by Pierce Transit; call 253-581-8000 or 1-800-562-8109 for details.
